

Back to Pre-School with Mel and Kathleen

The Board of Director's received this lovely request for help with Allendale Pre-School's healthy snack bill. Everyone at the Co-op loves to see the children from Pre-school choosing their healthy snack and the Board were pleased to help.

We were really excited to receive this invitation to visit Pre-School.

Kathleen and Mel really enjoyed their healthy snacks.

They also enjoyed joining in with lots of other fun activities.

Time to say goodbye!
